

July 2009

Dear Parent/Guardian,

It's hard to believe that summer has flown by so quickly, but soon we will be back into the fall routine. For the 2009-2010 school year, the Red Team teachers will be Mr. Young (math), Mrs. Gunn (social studies), Ms. Allen (science), and Ms. Wolf (English).

A list of general materials that will be used for all classes can be found on the following page. We have also included a list of general supplies that every student will need for each of our specific classes. Please send these materials with your child on the first day of school.

Our communication with families has been enhanced through the use of email and the internet. We understand that not all families have access to a computer, however, should you like to utilize these options for communication, we have provided our email addresses and our website below.

The team teachers will forward a confirmation email by September 30<sup>th</sup>, for all email addresses we receive.
