

DANSVILLE HIGH SCHOOL STUDENTS OF THE MONTH

The Dansville Central Schools “Rotary Club Student of the Month” selects students based on the Rotary “Four Way Test”: Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned? By applying the above “Four Way Test” to student nominations, we will be able to acknowledge students who are consistently helping others, volunteering their time, and generally being model students and citizens. The September and October Students of the Month have been named. We are proud to announce the following students as September and October “Rotary Students of the Month”:
