Dear DCSD Families,

I am excited to share that ALL students will have access to free breakfast and lunch this year at Dansville Central School District regardless of income. Earlier this year DCS applied for a Federal Program called Community Eligibility Provision (CEP) and was awarded this opportunity.

What is included in the CEP?

CEP will allow each student to get **one free breakfast and one free lunch.**

- **Breakfast** includes a grain (e.g. bagel, breakfast pizza, breakfast wrap, cereal, etc.), fruit, and milk.
- **Lunch** includes a grain and meat or meat alternative (e.g. spaghetti with meat sauce, pizza, chicken patty, etc.), fruit, vegetable, and milk.

What is not included in the CEP?

CEP does not allow students to get snacks, drinks, or additional meals for free. The items below (and more) are available for purchase at an additional cost.

- Snacks (e.g. chips, cookies, ice cream, etc.)
- Drinks (e.g. bottled water, Snapple, Gatorade, etc.)
- Additional meals will cost \$2.50 for students in grades PreK-6 and \$2.60 for student in grades 7-12.

Thank you for your continued support of our food and nutrition program at DCSD. Please feel free to reach out to me with any questions you may have. We look forward to serving you and your child this school year.

Warm Regards,

Rita J. Morrow
