

DANSVILLE, NY

November 22, 2022

Dear Community Members,

It is with mixed emotions that I write this letter to inform you of my intent to retire on January 1, 2024. I've purposely set this date and announcement so the School Board will have over a full year to conduct a thorough selection process and seamless transition for our next superintendent.

Serving you and Dansville Schools over 13 years has been and remains a privilege and an honor for me. We are extremely fortunate and must never take for granted the strong culture of support for learning we have built in the Dansville School community. I am both mindful and grateful for how this has enabled us to accomplish so much. I plan to continue carrying out my responsibilities with fidelity through December 31, 2023.

I pledge to you that, throughout my remaining time as superintendent, I will work to ensure that our students are learning in a safe environment, getting the most out of their education and achieving their full potential. I will continue to support our staff at all levels and to be sure that we keep our ears and doors open to our families and our community. Dansville deserves nothing less.

Rest assured that our elected School Board is committed to the path of continual improvement we have paved for Dansville Schools. In the coming weeks, Board President Mary Ann Holden will communicate with you and the community about the process for selecting a new superintendent.

Yours in education,

Dr. Paul J. Alioto
Superintendent
