

LEARN TO SWIM IS BACK!

Mini Mustang is holding their annual learn to swim program for all levels! From beginner to advanced we welcome everyone! We will have both coaches on deck every afternoon along with volunteer helpers from the Varsity girls and boys teams available to be in the water to assist when needed.

We will focus on stroke development and confidence in the water while using a combined seasoned coaching staff of more than 30 years' experience and success.

The cost will be \$100.00 for the 7 week skill builder session. The pool will be open Monday, Wednesday, and Friday and your child is welcome to come in everyday or if you have another sport (we are all so busy this time of year!) any combination of the days is acceptable! Please keep in mind that we will be social distancing on deck and will need to be in masks anytime they are not in the water. We will have designated spots where masks can be set aside and there will be no showering in the locker rooms this year! Spaces are limited due to Covid restrictions so please make sure to return this form asap to secure your lesson!

Please fill out and send completed form and check made payable to the Dansville All Sports Booster Club to the address given, return to the High School office or Coach Welch or Coach Race!
